IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.10009 of 2008
PRAVESH RAJAK @ RAM PRAVESH RAJAK
Versus
STATE OF BIHAR
---

4. **22.9.2008** Heard.

The allegation against the petitioner is that he fired a shot hitting the deceased. The wound was found by the doctor lacerated.

The contention is that probabilities of the case make inherent inference that the informant might have witnessed the incident. Those could be discussed in the order of the trial court. As regards allegation, it appears specifically made against the petitioner, considering which the petition is dismissed.
